§ 644.30

described in paragraph (c)(2) of this section and whose application received a score within the funding band as described in paragraph (d) of this section has at least 15 calendar days after receiving notification that its application was not funded in which to submit a written request for a second review in accordance with the instructions and due date provided in the Secretary's written notification.

- (6) An applicant's written request for a second review must be received by the Department or submitted electronically to the designated e-mail or Web address by the due date and time established by the Secretary.
- (7) If the Secretary determines that the Department or the Department's agent made an administrative error that relates to the PE points awarded, as described in paragraph (b)(2)(i) of this section, the Secretary adjusts the applicant's PE score to reflect the correct number of PE points. If the adjusted score assigned to the application would have resulted in funding of the application during the competition and the program has funds available, the Secretary funds the application prior to the re-ranking of applications based on the second peer review of applications described in paragraph (c)(9) of this section.
- (8) If the Secretary determines that the Department, the Department's agent or the peer reviewer made an administrative error that relates to the peer reviewers' score(s), as described in paragraph (b)(2)(ii) of this section, the Secretary adjusts the applicant's peer reviewers' score(s) to correct the error. If the adjusted score assigned to the application would have resulted in funding of the application during the competition and the program has funds available, the Secretary funds the application prior to the re-ranking of applications based on the second peer review of applications described in paragraph (c)(9) of this section.
- (9) If the Secretary determines that a peer reviewer made a scoring error, as described in paragraph (b)(3) of this section, the Secretary convenes a second panel of peer reviewers in accordance with the requirements in section 402A(c)(8)(C)(iv)(III) of the HEA.

- (10) The average of the peer reviewers' scores from the second peer review are used in the second ranking of applications. The average score obtained from the second peer review panel is the final peer reviewer score for the application and will be used even if the second review results in a lower score for the application than that obtained in the initial review.
- (11) For applications in the funding band, the Secretary funds these applications in rank order based on adjusted scores and the available funds that have been set aside for the second review of applications.
- (d) Process for establishing a funding band. (1) For each competition, the Secretary establishes a funding band for the second review of applications.
- (2) The Secretary establishes the funding band for each competition based on the amount of funds the Secretary has set aside for the second review of applications.
- (3) The funding band is composed of those applications—
- (i) With a rank-order score before the second review that is below the lowest score of applications funded after the first review; and
- (ii) That would be funded if the Secretary had 150 percent of the funds that were set aside for the second review of applications for the competition.
- (e) Final decision. (1) The Secretary's determination of whether the applicant has met the requirements for a second review and the Secretary's decision on re-scoring of an application are final and not subject to further appeal or challenge.
- (2) An application that scored below the established funding band for the competition is not eligible for a second review.
